7.1 One UNIT Per LOT. Only one UNIT shall be constructed on any LOT.

7.2 Garages. Each UNIT shall have an attached garage providing parking for at least one automobile. All garage doors shall remain closed when not in use.

7.3 Occupancy. No UNIT shall be permanently occupied by more than two (2) persons for each bedroom in the UNIT. In addition, temporary guests are permitted so long as they do not create an unreasonable source of noise or annoyance to the other residents of the SUBJECT PROPERTY.

7.4 No Trade or Business. No trade, business, profession, or commercial activity, or any other nonresidential use, shall be conducted upon any portion of the SUBJECT PROPERTY or within any LOT or UNIT, without the consent of the APPROVING PARTY. The foregoing shall not prohibit any OWNER from leasing his UNIT.

7.5 Leases. All leases of a UNIT must be in writing and shall be specifically subject to this DECLARATION, the ARTICLES and the BYLAWS, and copies of all leases shall be delivered to the APPROVING PARTY prior to occupancy by the tenant(s). No lease shall be for a period of less than 3 months, and no UNIT may be leased more than two times in any consecutive 12-month period, without the consent of the APPROVING PARTY.

7.6 Outside Storage of Personal Property. The personal property of any resident of the SUBJECT PROPERTY shall be kept inside the resident's UNIT or a fenced or walled-in yard, except for patio furniture and accessories, and other personal property commonly kept outside, which must be kept in the rear of the LOT and must be neat in appearance and in good condition.

7.7 Portable Buildings. No portable, storage, temporary or accessory buildings or structures, or tents, shall be erected, constructed or located upon any LOT for storage or otherwise, except storage sheds, which shall be completely hidden from view from the street and which shall not violate any set-back requirements for permanent structures.

7.8 Garbage, Trash and Recycling Items. Each OWNER shall regularly pick up all garbage, trash, recycling items, refuse or rubbish on the OWNER's LOT. Garbage, trash, refuse or rubbish that is required to be placed and kept at the front of the LOT in order to be collected may be placed and kept at the front of the LOT after 5:00 p.m. on the day before the scheduled day of collection, and any trash facilities must be removed on the collection day. All garbage, trash, refuse or rubbish must be placed in appropriate trash facilities or bags.

All containers, dumpsters or garbage facilities shall be stored inside a UNIT or fenced-in area and screened from view and kept in a clean and sanitary condition. No noxious or offensive odors shall be permitted.

7.9 Vehicles and Boats. Only automobiles, vans, pick-up trucks with a carrying capacity of 1/2 ton or less, boats and trailers of less than 22', and other vehicles manufactured and used as private passenger vehicles, may be parked within the SUBJECT PROPERTY overnight without the prior written consent of the APPROVING PARTY, unless kept within an enclosed garage. In particular and without limitation, without the prior written consent of the APPROVING PARTY, no vehicle containing commercial lettering, signs or equipment, and no truck, recreational vehicle, camper, trailer, or vehicle other than as specified above, may be parked or stored outside of a UNIT overnight. No overnight parking is permitted on any streets, lawns, or areas other than driveways and garages, without the consent of the APPROVING PARTY. The OWNER and residents of any UNIT may not keep more than two vehicles within the SUBJECT PROPERTY on a permanent basis without the prior written consent of the APPROVING PARTY. The foregoing restrictions shall not be deemed to prohibit the temporary parking of commercial vehicles while making delivery to or from, or while used in connection with providing services to, the SUBJECT PROPERTY or the temporary parking of automobiles owned by governmental law enforcement agencies. All vehicles parked within the SUBJECT PROPERTY must be in good condition and repair, and no vehicle which does not contain a current license plate or which cannot operate on its own power shall be parked within the SUBJECT PROPERTY outside of an enclosed garage for more than 24 hours, and no major repair of any vehicles shall be made on the SUBJECT PROPERTY. Motorcycles, motorbikes, mopeds, all-terrain vehicles, and the like are not permitted to be operated within the SUBJECT PROPERTY or parked overnight outside of an enclosed garage, except with the prior written consent of the APPROVING PARTY which may be withdrawn at any time, and any permitted motorized vehicle must be licensed for street use and equipped with appropriate noise muffling equipment so that the operation of same does not create an unreasonable annoyance to the residents of the SUBJECT PROPERTY.

7.10 Pets. No animals, livestock or poultry of any kind shall be permitted within the SUBJECT PROPERTY except for common household domestic pets. Notwithstanding the foregoing, no more than two cats, or two dogs, or one cat and one dog, is permitted in any UNIT, except with the written consent of the APPROVING PARTY which may be granted or withheld in the APPROVING PARTY's discretion. No pit bull terriers are permitted without the consent of the APPROVING PARTY. Any pet must be carried or kept on a leash when outside of a UNIT or fenced-in area. No pet shall be kept outside a UNIT or in any screened porch or patio unless someone is present in the UNIT. No pet shall be permitted to go or stray on any other LOT without the permission of the OWNER of the LOT. Any pet must not be an unreasonable nuisance or annoyance to other residents of the SUBJECT PROPERTY. Any resident shall immediately pick up and remove any solid animal waste deposited by his pet on the SUBJECT PROPERTY, except for designated pet-walk areas, if any. No commercial breeding of pets is permitted within the SUBJECT PROPERTY. The APPROVING PARTY may require any pet to be immediately and permanently removed from the SUBJECT PROPERTY due to a violation of this paragraph.

7.11 Landscaping. The initial landscaping of any UNIT, and any material modifications, additions, or substitutions thereof, must be approved by the APPROVING PARTY. The OWNER of each LOT containing a UNIT shall be required to maintain the landscaping on his LOT, and on any contiguous property between his LOT and the pavement edge of any abutting ROAD or the waterline of any abutting lake or canal, all in accordance with the landscaping plans approved by the APPROVING PARTY and in accordance with the provisions of this DECLARATION and the requirements of any controlling governmental authority. All such landscaping shall be maintained by the OWNER in first class condition and appearance and, as reasonably required, mowing, watering, trimming, fertilizing, and weed, insect and disease control shall be performed by the OWNER. Underground sprinkler systems shall be required to be installed and maintained within each LOT and each OWNER shall be obligated to irrigate properly any portion of the COMMON AREAS adjacent to such OWNER's LOT. All landscaped areas shall be primarily grass, and shall not be paved or covered with gravel or any artificial surface without the prior written consent of the APPROVING PARTY. All dead or diseased sod,

plants, shrubs, trees, or flowers shall be promptly removed and replaced, and excessive weeds, underbrush or unsightly growth shall be promptly removed. No artificial grass, plants, or other artificial vegetation shall be placed or maintained upon the exterior of any LOT. Notwithstanding the foregoing, no OWNER shall install or maintain any landscaping on any portion of his LOT to be maintained by the ASSOCIATION, without the prior written consent of the BOARD.

7.12 Maintenance. Each OWNER shall maintain his UNIT and all improvements and personal property upon his LOT in first class condition at all times, except any portions thereof to be maintained by the ASSOCIATION as provided in this DECLARATION. The exterior of all UNITS including but not limited to roofs, walls, doors, windows, patio areas, pools, screenings, and awnings shall be maintained in first class condition and repair and in a neat and attractive manner. All exterior painted areas shall be painted as reasonably necessary, with colors which are harmonious with other UNITS, and no excessive rust deposits on the exterior of any UNIT, peeling of paint or discoloration of same shall be permitted. No OWNER shall change the exterior color of his UNIT without the consent of the APPROVING PARTY. All sidewalks, driveways and parking areas within the OWNER's LOT or serving the OWNER's UNIT shall be cleaned and kept free of debris; and cracks, damaged and/or eroding areas on same shall be repaired, replaced and/or resurfaced as necessary.

7.13 Air Conditioning Units. Only central air conditioning units are permitted, and no window, wall, or portable air conditioning units are permitted.

7.14 Clotheslines and Outside Clothes Drying. No clotheslines or clothes-poles shall be erected, and no outside clothes-drying is permitted, except where such activity is advised or mandated by governmental authorities for energy conservation purposes, in which event the APPROVING PARTY shall have the right to approve the portions of any LOT used for outdoor clothes-drying purposes and the types of devices to be employed in this regard, which approval must be in writing.

7.15 Nuisances. No nuisances shall be permitted within the SUBJECT PROPERTY, and no use or practice which is an unreasonable source of annoyance to the residents within the SUBJECT PROPERTY or which shall interfere with the peaceful possession and proper use of the SUBJECT PROPERTY by its residents shall be permitted. No unreasonably offensive or unlawful action shall be permitted, and all laws, zoning ordinances and regulations of all controlling governmental authorities shall be complied with at all times by the OWNERS.

7.16 Outside Antennas and Flag Poles. No outside signal receiving or sending antennas, dishes or devices are permitted without the consent of the APPROVING PARTY as to size and location. The foregoing shall not prohibit any antenna or signal receiving dish owned by the APPROVING PARTY which services the entire SUBJECT PROPERTY. No flag poles are permitted without the consent of the APPROVING PARTY.

7.17 Water Surface Management. No OWNER or any other PERSON shall do anything to adversely affect the surface water management and drainage of the SUBJECT PROPERTY without the prior written consent of the ASSOCIATION and any controlling governmental authority, including but not limited to the excavation or filling in of any lake or canal, or any portion of the SUBJECT PROPERTY, provided the foregoing shall not be deemed to prohibit or restrict the initial construction of improvements upon the SUBJECT PROPERTY by DECLARANT or by the developer of any portion of the SUBJECT PROPERTY in accordance with permits issued by controlling governmental authorities.

7.18 Lakes and Canals. The lakes and canals are intended for drainage purposes only. Therefore no swimming, fishing or motorized boating is allowed in any lake or canal within or contiguous to the SUBJECT PROPERTY. No OWNER shall deposit or dump any garbage or refuse in any lake or canal within or

contiguous to the SUBJECT PROPERTY. No OWNER shall install any improvement upon a LOT within 20 feet of any lake or canal without the prior written consent of the APPROVING PARTY, including but not limited to landscaping (other than grass), fences, walls, or any other improvements.

7.19 Wells. No wells may be installed within the SUBJECT PROPERTY without the prior written consent of the APPROVING PARTY and the utility company supplying potable water to the SUBJECT PROPERTY.

7.20 Beaches/Lake Banks. No OWNER shall create any beach or sandy area contiguous to any lake or canal within the SUBJECT PROPERTY, and all lake banks shall be sodded unless otherwise approved by the APPROVING PARTY.

7.21 Further Subdivision. No LOTS shall be further subdivided without the prior written consent of the APPROVING PARTY if same would result in the creation of more LOTS than before such resubdivision. Notwithstanding the foregoing, portions of a LOT may be conveyed to the OWNER(s) of contiguous LOT(s) in order to increase the size of the contiguous LOT(s), so long as any remaining portion of the divided LOT not so conveyed is independently useful for the construction of a UNIT that complies with the requirements of this DECLARATION. If all of any LOT is divided between the contiguous LOTS in order to increase the size of the contiguous LOTS, then the OWNERS of the divided LOT shall be required to divide among themselves the vote and ASSESSMENT responsibility of the divided LOT pursuant to an instrument recorded in the public records of the county where the SUBJECT PROPERTY is located and approved by the ASSOCIATION.

7.22 Garbage Containers, Oil and Gas Tanks. All garbage and refuse containers, bottled gas tanks, and all permanently affixed swimming pool equipment and housing shall be underground or placed in walled-in or landscaped areas as approved by the APPROVING PARTY so that they shall be substantially concealed or hidden from any eye-level view from any street or adjacent property.

7.23 Signs. No signs (except for one "For Sale" sign per LOT not larger than 2 square feet in size) shall be placed upon any LOT, and no signs shall be placed in or upon any UNIT which are visible from the exterior of the UNIT, without the prior written consent of the APPROVING PARTY. Notwithstanding the foregoing, a portable and tasteful "Open House" advertising sign is permitted upon any LOT for a period not exceeding eight hours in any day, and 24 hours in any consecutive 7-day period, which shall not be larger than 2 square feet in size, during such periods when the OWNER or a real estate broker or sales person is holding a bona fide "open house" to lease or sell the UNIT on the LOT. In the event any sign is installed on any LOT or on the exterior of any UNIT which violates this paragraph, the APPROVING PARTY shall have the right to remove such sign without notice to the OWNER, and the removal shall not be deemed a trespass and the APPROVING PARTY shall not be liable to the OWNER for the removal or for any damage or loss to the sign.

7.24 Window Treatments. Window treatments shall consist of drapery, blinds, decorative panels, or other tasteful window covering, and no newspaper, aluminum foil, sheets or other temporary window treatments are permitted, except for periods not exceeding one (1) week after an OWNER or tenant first moves into a UNIT or when permanent window treatments are being cleaned or repaired.

7.25 Boats. No boats may be kept or stored outside of any UNIT, without the prior written consent of the APPROVING PARTY.

7.26 Special Provisions Regarding Recreational Facilities. Once title to the COMMON AREAS has been deeded to the ASSOCIATION, the BOARD shall have the right to make reasonable rules and regulations regarding the recreational facilities, if any, as the BOARD deems desirable from time to time.

7.27 Swimming Pools. No swimming pools, spas or the like, shall be installed without the consent of the APPROVING PARTY.

7.28 Fences and Walls. Fences and walls must be maintained in good condition at all times. No fences or walls shall be installed without the consent of the APPROVING PARTY as to the location, type and material of the fence or wall. The APPROVING PARTY, in approving any fence or wall as elsewhere provided, shall have the right to require all fences and walls throughout the SUBJECT PROPERTY to be of a specified standard type of construction and material, and shall have the right to prohibit any other types of fences and/or walls, and shall further have the right to change such standard as to any new fences or walls from time to time, as the APPROVING PARTY deems appropriate.

7.28.1 General Rules of Law to Apply. To the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply to each party wall or fence which is built as part of the original construction of the UNITS upon the LOTS and any replacements thereof. In the event that any portion of any structure, as originally constructed by DECLARANT, or by its designee, including any party wall or fence, shall protrude over two adjoining LOTS, it shall be deemed that said OWNERS have granted perpetual easements to the adjoining OWNER or OWNERS for lateral support and for continuing maintenance and use of the projection, party wall or fence. No OWNER may commit or authorize the commission of any act which has the effect of impairing or decreasing the structural integrity of any party wall or fence. The foregoing shall also apply to any replacements of any structures, party walls or fences, if same are constructed in conformance with the original structure, party wall or fence. The foregoing conditions shall be perpetual in duration and shall not be subject to amendment of this DECLARATION.

7.28.2 Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall or party fence shall be shared equally by the OWNERS who make use of the wall or fence in proportion to such use.

7.28.3 Destruction by Fire or Other Casualty. If a party wall or party fence is destroyed or damaged by fire or other casualty, any OWNER who has used the wall or fence must restore it, and if the other OWNERS thereafter make use of the wall or fence, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such OWNERS to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

7.28.4 Weatherproofing. Notwithstanding any other provisions of this Article, an OWNER who, by his negligent or willful act, causes the party wall to be exposed to the elements, shall bear the whole cost of furnishing the necessary protection against such elements.

7.28.5 Right to Contribution Runs with Land. The right of any OWNER to contribution from any other OWNER under this Article shall be appurtenant to the land and shall pass to such OWNER's successors in title.

7.28.6 Party and Perimeter Fences. For the purposes of this Article, a party fence shall be a fence owned by two OWNERS and located on the boundary lines of such OWNERS' property. Where a fence is owned by an OWNER and the ASSOCIATION, it shall not be subject to the provisions of this Article but rather shall be deemed a perimeter fence subject to the provisions of Article 4.13.

7.29 Architectural Control for Exterior Changes.

7.29.1 OWNER to Obtain Approval. For purposes of this paragraph, the term "IMPROVEMENT" shall mean any building, fence, wall, patio area, pool, spa, landscaping, driveway, walkway or any other alteration, addition, improvement, or change of any kind or nature which is constructed, made, installed, placed, or removed from any LOT, or the exterior of any UNIT or any other improvement upon any LOT, except for maintenance or repair which does not result in a material change to any improvement including the color of same. No OWNER shall make any IMPROVEMENT, and no OWNER shall apply for any governmental approval or building or other permit for any IMPROVEMENT, unless the OWNER first obtains the written approval of the IMPROVEMENT from the APPROVING PARTY.

7.29.2 APPROVING PARTY's Consent. Any request by an OWNER for approval by the APPROVING PARTY to any IMPROVEMENT shall be in writing and shall be accompanied by plans and specifications or other details as the APPROVING PARTY may deem reasonably necessary in connection with its determination as to whether or not it will approve same. The plans and specifications submitted for approval shall show the nature, kind, shape, height, materials, color, and location of all proposed IMPROVEMENTS. If the APPROVING PARTY deems the plans and specifications deficient, the APPROVING PARTY may require such further detail in the plans and specifications as the APPROVING PARTY deems necessary in connection with its approval of same, including, without limitation, floor plans, site plans, drainage plans, elevation drawings, and descriptions of samples of exterior materials and colors, and until receipt of the foregoing, the APPROVING PARTY may postpone review of any plans submitted for approval. The APPROVING PARTY shall have the right to charge a reasonable fee in connection with the approval of any request, to pay for the cost of any architect or engineer hired by the APPROVING PARTY to review any plans or specifications. Approval of any request shall not be withheld in a discriminatory manner or in a manner which unreasonably prohibits the reasonable improvement of any LOT or UNIT, but may be withheld due to aesthetic considerations. The APPROVING PARTY shall notify the OWNER of its approval or disapproval, or that the APPROVING PARTY requires additions to the plans and specifications, by written notice to the OWNER, and in the event the APPROVING PARTY fails to disapprove any request within such 30-day period, the request shall be deemed approved and, upon request, the APPROVING PARTY shall give written notice of such approval. In consenting to any proposed IMPROVEMENT, the APPROVING PARTY may condition such consent upon changes being made. If the APPROVING PARTY consents to any IMPROVEMENT, the OWNER may proceed to make the IMPROVEMENT in strict conformance with the plans and specifications approved by the APPROVING PARTY, and subject to any conditions of the APPROVING PARTY's approval.

7.29.3 Architectural Guidelines and Criteria. The APPROVING PARTY may adopt and modify from time to time, in its discretion, guidelines, criteria and/or standards which will be used by it in connection with the exercise of architectural control, provided however that same shall not apply to any IMPROVEMENT which has been constructed in accordance with the provisions of this DECLARATION and which was properly approved when constructed.

7.29.4 Inspections. Upon completion of any IMPROVEMENT, the OWNER shall give written notice of the completion of same to the APPROVING PARTY. Within 60 days thereafter, the APPROVING PARTY shall inspect the IMPROVEMENT, and if the APPROVING PARTY finds that the IMPROVEMENT was not completed in conformance with the approved plans and specifications, it shall notify the OWNER in writing of such non-compliance within said 60-day period, specifying the particulars of such non-compliance, and within 30 days thereafter the OWNER shall correct the deficiencies set forth in the notice, and upon completion of the work required to correct the deficiencies, the OWNER shall again give the APPROVING PARTY notice of the completion of the work, and the provisions of this paragraph shall again become operative. If for any reason the APPROVING PARTY fails to notify the OWNER of any deficiencies within 90 days after receipt of a notice of completion from the OWNER, the IMPROVEMENT shall be deemed to have been completed in accordance with the approved plans and specifications.

7.29.5 No Liability. The APPROVING PARTY shall not be liable to any OWNER in connection with the exercise or non-exercise of architectural control hereunder, or the approval or disapproval of any IMPROVEMENT. Any approval of any plans or specifications by the APPROVING PARTY shall not be deemed to be a determination that such plans or specifications are complete or do not contain defects, or in fact meet any standards, guidelines and/or criteria of the APPROVING PARTY, or are in fact architecturally or aesthetically appropriate, or comply with any applicable governmental requirements, and the APPROVING PARTY shall not be liable for any deficiency or injury resulting from any deficiency in such plans and specifications. If the APPROVING PARTY approves any IMPROVEMENT, same shall not require the APPROVING PARTY or any subsequent APPROVING PARTY to approve any similar IMPROVEMENT in the future, and the APPROVING PARTY shall have the right in the future to withhold approval of similar IMPROVEMENTS requested by any other OWNER.

7.29.6 Remedy for Violations. In the event this section is violated in that any IMPROVEMENT is made without first obtaining the approval of the APPROVING PARTY, or is not made in strict conformance with any approval granted by the APPROVING PARTY, the APPROVING PARTY shall specifically have the right to injunctive relief to require the OWNER to stop, remove and/or alter any IMPROVEMENT in the manner which complies with the requirements of the APPROVING PARTY, or the APPROVING PARTY may pursue any other remedy available to it. If the APPROVING PARTY is DECLARANT, then in connection with the enforcement of this section, DECLARANT shall have all of the rights of enforcement granted to the ASSOCIATION pursuant to Paragraphs 9.1 through 9.3 of this DECLARATION, including but not limited to the right to impose a fine against the defaulting OWNER, and to assess and lien the defaulting OWNER, except that any fines paid by the defaulting OWNER shall be paid to the ASSOCIATION. In connection with the enforcement of this section, the APPROVING PARTY shall have the right to enter upon any LOT and make any inspection necessary to determine that the provisions of this paragraph have been complied with. The failure of the APPROVING PARTY to object to any IMPROVEMENT prior to the completion of the IMPROVEMENT shall not constitute a waiver of the APPROVING PARTY's right to enforce the provisions of this section. Any action to enforce this Section must be commenced within 1 year after notice of the violation by the APPROVING PARTY, or within 3 years after the date of the violation, whichever occurs first. The foregoing violations of this DECLARATION to the contrary, the APPROVING PARTY shall have the exclusive authority to enforce the provisions of this paragraph.

7.29.7 Compliance with Governmental Requirements. In addition to the foregoing requirements, any IMPROVEMENT made by an OWNER must be in compliance with the requirements of all controlling governmental authorities, and the OWNER shall be required to obtain an appropriate building permit from the applicable governmental authority when required by controlling governmental requirements. Any consent or approval by the APPROVING PARTY to any IMPROVEMENT may be made conditioned upon the OWNER obtaining a building permit for same, or providing the APPROVING PARTY with written evidence from the controlling governmental authority that such permit will not be required, and the OWNER shall not proceed with any IMPROVEMENT until such building permit or evidence that a building permit is not required is submitted to the APPROVING PARTY.

7.29.8 Certificate. At the request of any OWNER, the ASSOCIATION shall issue, without charge, a written certification that the IMPROVEMENTS located upon the OWNER's LOT are not in violation of the provisions of this paragraph.

7.30 Easements for Drainage and/or Utilities. "Drainage and/or utility easements" means such easements on those portions of the SUBJECT PROPERTY so designated on any plat or any recorded easement for the installation and maintenance of utility and/or drainage facilities. Such easements are for the installation, maintenance, construction and repair of drainage facilities, including but not limited to canals, pumps, pipes, inlets and outfall structures and all necessary appurtenances thereto and underground utility facilities, including

but not limited to power, telephone, sewer, water, gas, irrigation, lighting and television transmission purposes. The portions of the SUBJECT PROPERTY designated as drainage and/or utility easements and all improvements thereon shall be maintained continuously by the OWNER of such portion of the SUBJECT PROPERTY, except for those improvements for which a public authority or utility company is responsible. Within these easements, no improvement or other material shall be placed or permitted to remain or alteration made which:

7.30.1 May damage or interfere with the installation and maintenance of utilities without the prior written consent of the affected utility company and the APPROVING PARTY; provided, however, the installation of a driveway or sod shall not require the consent of the affected utility companies unless the APPROVING PARTY imposes such requirements; or

7.30.2 May materially damage the direction of flow or draining channels in the easements without the prior written consent of the APPROVING PARTY and applicable governmental agencies.

7.31 Rules and Regulations. The APPROVING PARTY may adopt additional reasonable rules and regulations relating to the use and maintenance of the SUBJECT PROPERTY, and rules and regulations relating to the recreational facilities within the SUBJECT PROPERTY may be posted at such recreational facilities. Copies of such rules and regulations and amendments shall be furnished by the APPROVING PARTY to any OWNER upon request.

7.32 Waiver. The APPROVING PARTY shall have the right to waive the application of one or more of these restrictions, or to permit a deviation from these restrictions, as to any LOT where, in the discretion of the APPROVING PARTY, special circumstances exist which justify such waiver or deviation, or such waiver or deviation, when coupled with any conditions imposed for the waiver or deviation by the APPROVING PARTY, will not adversely affect any other OWNERS. In granting any waiver or deviation, the APPROVING PARTY will impose such conditions and restrictions as the APPROVING PARTY may deem necessary, and the OWNER shall be required to comply with any such restrictions or conditions in connection with any waiver or deviation. In the event of any such waiver or permitted deviation, or in the event any party fails to enforce any violation of these restrictions, such actions or inactions shall not be deemed to prohibit or restrict the right of the APPROVING PARTY, or any other person having the right to enforce these restrictions, from insisting upon strict compliance with respect to all other LOTS, nor shall any such actions be deemed a waiver of any of the restrictions contained herein as same may be applied in the future. Furthermore, any approval given by the APPROVING PARTY as to any matter shall not be deemed binding upon the APPROVING PARTY in the future, and shall not require the APPROVING PARTY to grant similar approvals in the future as to any other LOT or OWNER.

7.33 Exceptions. The foregoing use and maintenance restrictions and architectural controls shall not apply to DECLARANT, or to any portion of the SUBJECT PROPERTY while owned by DECLARANT, and shall not be applied in a manner which would prohibit or restrict the development of any portion of the SUBJECT PROPERTY and the construction of any UNITS and other improvements thereon, or any activity associated with the sale or leasing of any UNITS, by DECLARANT. In addition, DECLARANT shall have the right to exempt any other builder or developer from any of the foregoing use and maintenance restrictions. Specifically, and without limitation, DECLARANT shall have the right to, (i) construct any buildings or improvements within the SUBJECT PROPERTY, and make any additions, alterations, improvements, or changes thereto; (ii) maintain customary and usual sales, leasing, general office and construction operations on any LOT; (iii) place, erect or construct portable, temporary or accessory buildings or structures upon the SUBJECT PROPERTY for sales, leasing, construction, storage or other purposes; (iv) temporarily deposit, dump or accumulate materials, trash, refuse and rubbish in connection with the development or construction of any LOT; and (v) post, display, inscribe or affix to the exterior
